

Aspiring Clinical Academics

The University of Nottingham, in partnership with East Midlands Research Design Service and NIHR ARC EM, offers a comprehensive Clinical Academic Training Pathway for non-medical health care professionals – no matter what stage in your career!

We host the HEE/NIHR Pre & Post-Doctoral Bridging Programmes, MA Research Methods and The Centre for Doctoral Training in Rehabilitation and Healthcare Research.

We offer the BEST environment to support clinical academic career development:

- Research training and mentorship from experienced clinical academics
- Access to research leaders in programmatic themes eg older people, health economics, long term conditions, rehabilitation, stroke rehabilitation, mental health; child and maternal health, e-learning technologies
- Vibrant, internationally recognised research culture, excellence in teaching
- Well established clinical academic network & NIHR award holders
- Over a decade of success in supporting people on the ICA pathway
