

# Implementation for Impact: Embedding and Sustaining Workforce Wellbeing

Join us for the formal launch of our new evidence-based guidelines.

March 23rd 2026 | 1:00 PM

👉 [eventbrite.com/e/implementation-for-impact-embedding-and-sustaining-workforce-wellbeing-tickets-1983353674230](https://eventbrite.com/e/implementation-for-impact-embedding-and-sustaining-workforce-wellbeing-tickets-1983353674230)

We will **present the key findings** from our global scoping review and qualitative study across two NHS Trusts, followed by a **walkthrough of our new guidelines** designed to help you **implement wellbeing support for healthcare staff that actually sticks**.

## Real-World Insights

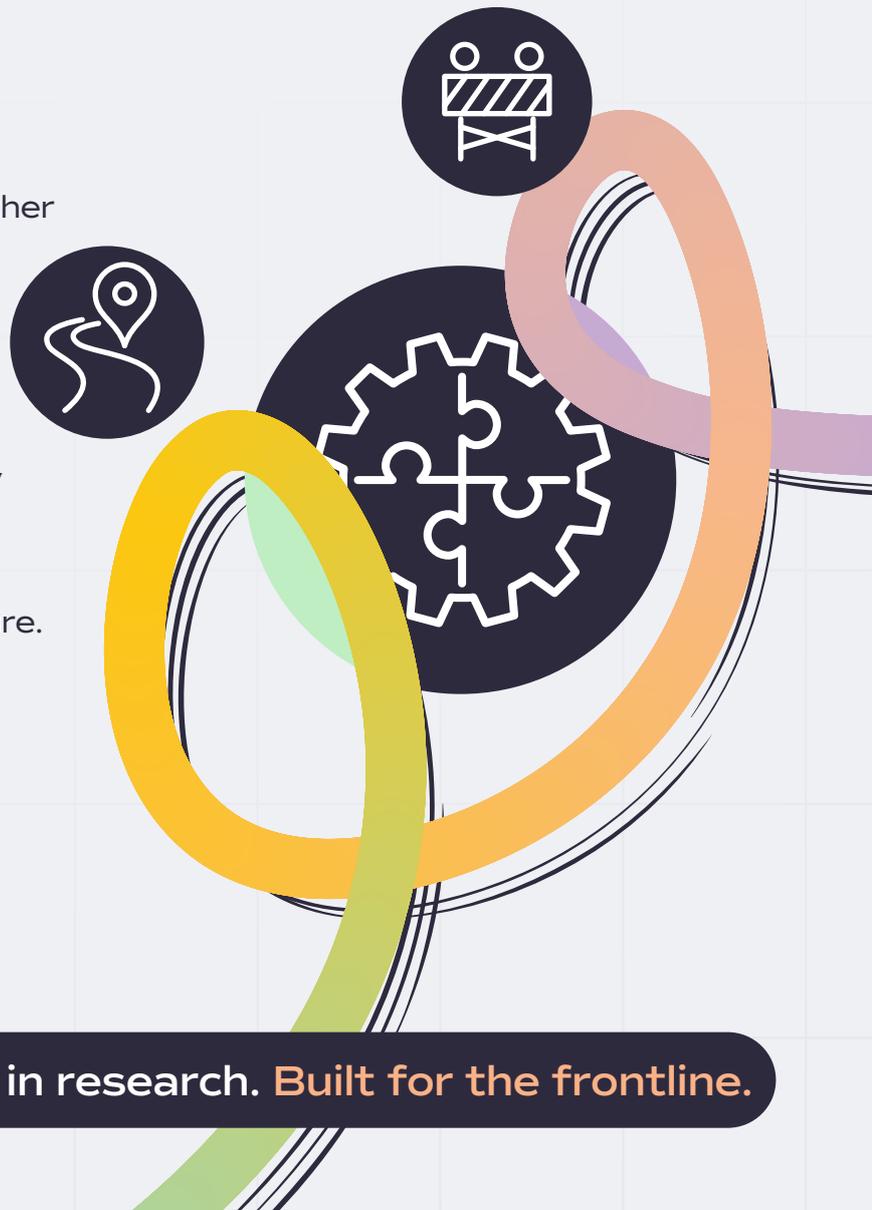

Discover the practical enablers and systemic barriers that determine whether a staff wellbeing initiative succeeds or fails in healthcare environments.

## The Roadmap for Change

Get an exclusive first look at the newly developed guidelines designed to help you fit interventions to your Trust's unique culture and resource architecture.

## Tools for Sustainability

Learn how to apply implementation science to move beyond one-off activities and make staff wellbeing a routine, normal part of daily work.

Grounded in research. **Built for the frontline.**
